RE: ADDENDUM NO. 1 TO REQUEST
FOR PROPOSALS (RFP)
PACKAGE

AMATS: VFW Road: Eagle River
Loop to Eagle River Road Pavement
Preservation Design Services
RFP No. 25222032

EMAIL TO: All RFP recipients on record.

The RFP Package is hereby clarified or changed as follows:

1. Submittal deadline has not been changed.

2. QUESTION & ANSWER:

Q1: In some places in the RFP, the utilities work needed is referred to as "Utilities Agreement Support". Article B25, however, describes work that is both in support of the Department doing the utility agreements (B25.1, B25.2, B25.4, B25.5) and having the consultant prepare the agreements (B25.3 and B25.6). Could you please clarify if the Department intends to prepare agreements or if we should be prepared to do them?

A1: The Department anticipates completing the Utilities Agreements with support from the selected Offeror. However, we reserve the right to add Utilities Agreements to the contract by amendment or by other means if in-house resources are not available. See items 3, 4, and 5 below.

3. Reference Request for Proposals Package, Part A, Special Notices, 15.7, add the following: "Utilities Agreements."

4. Reference Request for Proposals Package, Part C, criterion 8; Proposed Project Staff for Possible Added Services, add the following: "Utilities Agreements."

5. Reference Appendix B, Proposed Statement of Services, the following changes are made:

- Remove duplicate pages 1-5.
- Article B4, Administrative Requirements, NIC tasks, add "Utilities Agreements."
- Article B7, Summary of Contract Services, B7.4, Anticipated DOT&PF Tasks, add the following: "Utilities Agreements."
- Article B25, Utilities Agreements, B25.3, B25.3.1, B25.3.2, and B25.6 are Not in Contract (NIC). *"Keep Alaska Moving through service and infrastructure."*

All other terms and conditions remain the same.
